As there were insufficient duly nominated candidates in **Category C** to fill the number of Executive positions allocated to that category, the remaining vacant Category C position may be filled from the unsuccessful duly nominated candidates in **Category B.**

Members received insufficient numbers to fill the relevant number of Executive positions therefore the Executive position for Category C may be filled from the unsuccessful duly nominated candidates for Category B.

As FALANGA, Mark received the 5th highest number of final votes in the **contested Category B** election, he is elected to fill the remaining vacant **Category C** Executive position, in accordance with rule 21(aa).
